

EACH GIFT

EACH FAMILY

EACH YEAR

MAKES AN IMPACT

FAQ's

- ✓ **How much should I give the Annual Fund?**
We ask each family to consider giving at a level that is personally significant to them. Our giving levels are featured on the back of this brochure, and our hope is that each family will contribute a gift that best exemplifies their capacity to give.
- ✓ **When should I make my Annual Fund gift or pledge?**
To maximize the annual influence of our community's generosity, we ask that you consider making your gift around our kick off in September. Although the fiscal year ends June 30th, an early commitment to the Annual Fund puts Saint Mark's in a great position to allocate resources to our children.
- ✓ **Are gifts to the Annual Fund tax deductible? What is a matching gift?**
Yes, gifts to the Annual Fund are tax deductible. As an employee benefit, more than 550 American corporations match their staffs' philanthropic contributions. If your employer has a gift - matching program, you can double or triple your support to Saint Mark's.

THE POWER OF MANY

There is enormous power in your philanthropy. Gifts from parents, grandparents, alumni and friends are a meaningful investment in a Saint Mark's education. The Annual Fund is about individuals coming together to make a difference in our community. Because of its impact on today's students, the **Annual Fund is the number one fundraising priority for Saint Mark's.**

“
There is strength
in numbers”

Many gifts add up to a large sum each year, and every gift makes a difference.

— BOTTOM LINE —

**When we unite around the
Annual Fund, our children win.**

Each child. Each day.

FRIENDS OF SAINT MARK'S | \$1–\$1,199
