| Replacement Dell 11 Chromebook | \$300.00 | Replacement for lost or seriously damaged Chromebooks. (See order form located on the last page of this document for payment and repair plans.) |
| Annual Repair Plan (Subject to device inspection.) | \$ 50.00 | Includes 3 repairs per academic year plus a loaner device for the duration of the repair. See insurance specifics below. |

Bags, hard shell casing and additional chargers for the Dell11 are available at major electronic retailers, including Amazon.

Chromebook Repair and Warranty

The School offers a repair plan on student Chromebooks at a cost of \$50 per academic school year per device. There is a deductible of \$25 for each repair submission, with a limit of three submissions per school year. This plan does not cover loss, willful damage, or damage so extensive that repairs are not possible. Students are provided with a loaner Chromebook for the duration of the repair.

Dell Chromebooks have a one-year warranty which covers manufacturing defects. Warranty claims will be handled by the School. Students may not write on, deface, place stickers or otherwise alter the device as this will invalidate the Lenovo warranty.

The School will continue to support and coordinate repairs on the Samsung 303 and Lenovo laptops.

Chromebook Loaners

When possible, the school can provide loaner Chromebooks to students who either forget to charge or bring their device to school (Chromebooks must be charged at home nightly.) The costs for Chromebook loaners are as follows:

| | |
|--------------------------------|-----------------|
| First Incident | No Charge |
| Second Incident | \$10.00 per day |
| Third and Subsequent Incidents | \$20.00 per day |

Chromebook Repairs

Repair charges for noninsured Chromebooks are as follows.

| Item | Cost | Description |
|--------------------------------------|----------|---|
| Screen replacement | \$ 75.00 | Includes replacement screen and installation. |
| Keyboard and Tracking | \$100.00 | |
| Casing (top or bottom) | \$ 50.00 | |
| Motherboard | \$180.00 | |
| Re-registration to the school domain | \$ 50.00 | This charge will be incurred if a student "wipes" the Chromebook in order to circumvent school monitoring software and is not covered by insurance. |

Additional Chromebook Information

Specific information about Chromebook use at the school is detailed in the **Community Handbook** which needs to be read and acknowledged with both student and parent signatures at the beginning of each school year.

The repair plan for existing Chromebooks will be offered at the school's discretion and based on inspection of the device and the student's repair record.

CHROMEBOOK REPAIR PLAN AGREEMENT 2017-18

The School offers a Repair Plan on new school issued student Chromebooks at a cost of \$50 per academic year per device. The Chromebook repair plan provides coverage for one Chromebook from the date of signature through **May 25, 2018**.

There is a deductible of \$25 for each repair submission, with a limit of three submissions per school year.

During this period we will cover a loss due to **accidental damage** (includes drops and spills), theft (police report required), fire, flood, or power surge. This Plan does not cover loss, willful damage, or damage so extensive that repairs are not possible. Students are provided with a loaner Chromebook for the duration of the repair.

New Chromebooks have a one-year warranty which covers manufacturing defects. Warranty claims will be handled by the School. Students may not write on, deface, or otherwise alter the device as this will invalidate the warranty.

Special Provisions:

There will be no coverage if the terms of the *St. Mark's Episcopal School Community Handbook* are not followed.
