

Dear St. Mark's Families,

Each year the Parent Association (PA) is blessed by parents who help us achieve our mission of volunteering for the enrichment of our children. Many of our previous volunteers look back at their PA involvement as not only a fun way to support the school but also as a key part of their family's involvement in our St. Mark's community.

Once again, the time has come to organize the PA Board for the 2018-2019 school year. We will be collecting volunteer names for key roles and then presenting them at the April PA Board meeting. Upon approval, the new team will be introduced at the May Board meeting.

Please review the attached list of positions and committees. When you find a position or area that interests you, please email your preferences to one of the members of the Volunteer Committee listed below no later than March 1st.

Serving on the PA Board is a fun way to get involved in our St. Mark's community and makes a positive difference for all the children. Your participation is the key to the success of the school, so please get in touch with a committee member to get involved and share your talents!

If you have any questions, do not hesitate to contact me via text, email, or phone.

Thank You,

Michelle Lyman
